# PRODUCT CARE

---

## STACKING

- Stack items vertically
- Avoid one item sliding or rubbing against another

## CHIPPING

The vast majority of Artisan Classic (all plates, bowls, oval dishes, saucers, cups and mugs) are covered by a lifetime edge chip warranty but it's important to follow these basic guidelines:

- Always handle with care – careless or rough handling causes breakages
- Never scrape the product against a bin or receptacle

## IN THE DISHWASHER

- Rinse thoroughly after use, before loading into a dishwasher
- Wash separately from other items like glassware, cutlery and cooking equipment
- Follow the dishwasher manufacturer guidelines for type and amount of detergent to use
- Keep the dishwasher fully serviced and clean as per manufacturer guidelines
- If metal marks do appear on Artisan items, clean with a porcelain cleanser. Check cutlery to ensure there no rough edges
- Wash metal surfaces with water & vinegar to remove any particles which could be transferred.
