

PLA SMA

CONTENTS

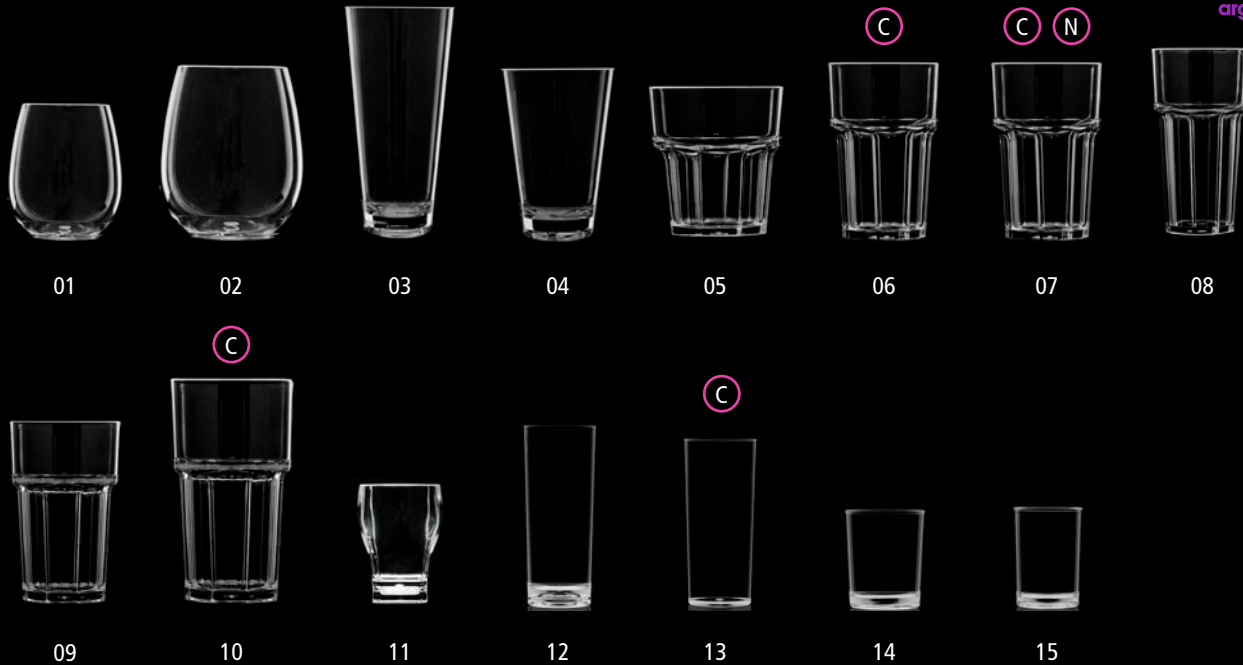

PLASMA BARWARE

Plasma combines stylish and safe polycarbonate drinkware with a wide range of bar and cocktail accessories to create a comprehensive barware solution under one brand.

Serve or chill wine, mix cocktails or add ice to serve on the rocks,
Plasma can provide the perfect solution.

DRINKS MIX SYSTEMS

Drinks Mix System – Standard Bar Storers

This highly efficient Drinks Mix System enables you to reduce preparation time by preparing mixes and juices in advance.

The containers come with a lid for storage which can be replaced with the neck and spout for pouring contents directly into drinks. When not in use, the lid can be attached to the base to prevent loss.

- Suitable for front and back of house use
- The easy way to make perfect 2:1 drinks
- Pours batters and oils
- Stackable for convenient back-up storage
- Round design fits speed racks

1 LITRE CAPACITY

Save Or Serve™ Professional Bar Storers

A strong and versatile storage solution with all the storing and serving benefits of the standard Drinks Mix System.

Additionally, the Professional range also features a coloured neck for instant identification and a 'glug-free', easy to control, professional pouring spout.

Includes colour coded neck for quick and easy identification and 'glug-free' professional pouring spout.
