

**NEW!**

# Introducing the EB Hands Free Adaptor

**A simple low cost solution which will help to protect employees and visitors in the fight against Covid-19.**

Allows users to easily dispense water by pushing back a paddle with the back of their cup, removing all hand contact with the boiler

No installation or tools required, simply slip the adaptor over the tap.

Fits all Lincat FilterFlow FX Automatic Water Boilers with a tap, plus all legacy EB Automatic Water Boilers.
